## 8TH ECUMENICAL PILGRIMAGE

### ST. PETER & ST. PAUL GLORIFYING GOD

*Join us in Italy  
on a fascinating tour*

True Life in God and Vassula Ryden take pleasure in inviting you to join the forthcoming pilgrimage to Italy - "St. Peter & St. Paul Glorifying God".

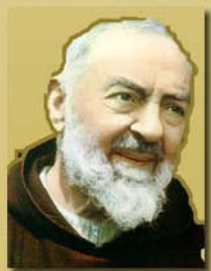

September  
2011

The pilgrimage will take place in Rome, the "Eternal City", the sacred cradle of Christianity and a city of significant cultural importance since ancient times.

St. Peter's Basilica, the Vatican Museum, the Sistine Chapel, St. Mary Major Basilica, St. Peter in chains and a panoramic view of the Colosseum are just a few places of many more that we will be visiting.

Apart from Rome, we will visit Assisi, birthplace of St. Francis, patron saint of Italy, the Shrine of Padre Pio in San Giovanni Rotondo, and last but not least, Lanciano, famous for the most well preserved Eucharistic Miracle (A.D. 700). Places certainly not to be missed! There is perhaps not so much to see all over the world as in Italy.

This pilgrimage, just like previous ones, will be a wonderful and spiritual experience on the roots of Christianity as we stand and pray at the Biblical sites.

Inspired by the True Life in God Messages, we welcome the opportunity to live and worship in unity, irrespective of denominations, nationalities or "man-made" divides as the big Christian family we all are.

Knowing True Life in God pilgrimages to be memorable and uplifting events for both clergy and laity, we look forward to welcoming you on the 2011 pilgrimage.

The cost of the pilgrimage is 1075 Euro for Europeans and 995 Euro for non-Europeans
